MISSION STATEMENT: The mission of the Basilica-Cathedral Parish of St. John the Baptist is the furtherance of the Church's mission of salvation, as a community of Christian people worshipping the Lord together, proclaiming the word and responding to human needs. We acknowledge the common priesthood of all baptized, wherein all members of our faith community are called to share in the ministries that serve the Church's mission.

Mary gave flesh to God -- flesh to be visible to human eyes, flesh to touch the leper's wounds. Mary gave hands to God -- hands to bless the little children, hands to break bread for the hungry. Mary gave eyes to God-- eyes to weep at a friend's grave, eyes to look into the human heart. Jesus no longer walks in flesh today. If he is to be seen by human eyes, it must be in and through us. If he is to continue to heal the sick, touch the leper, and bless the children, it must be with our hands and feet. If he is to continue to feed the hungry, and look into the human heart, it must be with our hands and our eyes. As Mary gave flesh to Jesus in her day, we must give flesh to Jesus in our day. And if we do as Mary did, Jesus will walk among us once again and make our world new again.

FEAST OF THE EPIPHANY - SUNDAY, JANUARY 7TH, 2018

In ancient tradition, the Epiphany was an even more important feast than Christmas. It was considered the climax of the Christmas season as the implications of the incarnation became manifest. We hear today of the wise ones who came from the east - who followed a star - to worship the newborn 'king of the Jews'. The story tells us that upon finding him, they 'knelt and paid him homage', accepting him in the name of all peoples as their king too. Like these wise ones of old, we too are on a journey as we try and follow the light of our visions and hopes. Like them, we can expect to run into difficulties as well as joy filled moments on this life journey. It is unlikely that we will come upon our God in a cave or stable in a foreign land. It is however most likely that we will encounter God in the people around us - in our families and friends - in the strangers whom we seek out and include in our gatherings. The gifts of respect and dignity that we live to those whom we interact with, not only enriches them but ourselves as well. The wise ones from the east then are metaphors and models for us as we follow our visionary stars and recognize our God in the unlined faces of tiny babes and the worn faces of the elderly. When we encounter and are aware of being with God in such ways, it cannot help but affect the way we live our lives.

PLEASE NOTE Recordings of the Basilica's 21st Annual Advent Festival of Carols and Scripture, held December 3, are available in DVD and CD format, \$10 each. Please contact the parish office (754-2170) if you would like to purchase a copy.

PETITION Re: Clause 14 of Bill C-51 which seeks to repeat second 176 (1,2,3) of the Criminal Code of Canada.

This section of the Criminal Code makes it an indictable offense to obstruct or cause violence to an officiating clergyman or minister, as well as to disturb religious worship or gatherings. It protects the people, the churches and the denominations who gather to celebrate their faith, worship God, and reach out in love and service of their sisters and brothers in need.

On the evening of 8 November 2017, the Parliamentary Standing Committee for Justice and Human Rights voted to amend clause 14 of Bill C-51 so as to retain section 176 of the Criminal Code with a new provision to encompass unequivocally all religious and spiritual services. The amended Bill will now return to the Minister of Justice for consideration, then both Houses of Parliament, followed by Royal Assent. Since the amended Bill has yet to pass into law and in view of the possibility of resistance to the proposed amendment, the Honourable Rob Nicholson, Member of Parliament for Niagara Falls, has written and forwarded to us a petition, which seeks the support of all Canadians in **asking the Government of Canada to retain section 176 of the criminal Code.**

A petition to retain Section 176 of the Criminal Code is at the back of the Church. Please find the time to sign this petition to keep this important section of the Criminal Code.

Prayer For Our Parish... O God, you have made us the Church of your Son. Make our parish a family of one heart and one mind in love toward you. Grant that our common life and witness may be an example to all about us. Guide our pastor and his assistants in their ministry. Listen to the prayers of John the Baptist, our patron, and keep us secure in your love. Teach us to reach out to other parishes less fortunate. Give us a great love for all the Church, for our Holy Father, for our bishop, and all those who serve. Help us to be a haven of joy and peace within the human family. Bring us all together to life eternal. **Amen**

COMMUNION TO THE SICK ... The Basilica Parish is trying to rejuvenate our Ministry of Communion to the Sick. We have an aging population in our Parish. We are receiving more and more calls from Parishioners who can no longer get out to Sunday liturgy and would like to have the Eucharist brought to them. We would sincerely like to be able to fulfil their request. To accomplish this, we need parishioners who are willing to sign up for this Ministry. It is also suggested that family members or relatives may also be able to bring Communion to their sick or elderly loved ones. Of course, the Parish will provide training in this area. If you are able to contribute to this vital Ministry, please call Anne at the Parish Office, 754-2170.

RITE OF CHRISTIAN INITIATION OF ADULTS ...The Christian community has a role in Christian Initiation of Adults. The Christian community supports the candidates by love, prayer, and witness and by testifying that they are ready to complete their initiation. Some members of the community help to instruct them in the faith of the Church. Candidates are also assisted by sponsors who walk with them in faith and present them to the community during the liturgical rites.

At present we have one adult who is asking to be received as a candidate for Confirmation. We ask you to keep him in your prayers.

Your help is needed to ensure that our church has beautiful flowers – especially for the major festal seasons of Christmas and Easter. We have set up a **‘flower fund’** in which you are invited to participate.

Our hope is that this will minimize the expense to the parish, and at the same time ensure that the festive joy of the ‘Great Fifty Days’ of Easter will be apparent in our Easter flowers from the Easter Vigil until Pentecost.

We ask that you place your donations in an envelope marked **‘Flowers’** and place it in the collection. You are also invited to make your donation in memory of a loved one. Their names will be included from time to time in the bulletin. We have made envelopes available for you on the tables at the entrances to the Church.

... EMMAUS HOUSE is in need of supermarket bags and twist ties. If you have any at home you may drop them off at Emmaus House, Monday to Friday 1-3 pm. or you may bring them to the Parish Office. Your support of the needy of our Parish is greatly appreciated.

... We would like to get to know you! If you would like to become a registered member of the Basilica Parish please complete a Parish Census Form. The forms are available on the tables at the entrances to the Basilica or can be picked up at the Parish Office. When completed, the form can be dropped off at the Parish Office or in with the Sunday collection.

... SCENT FREE! ... In today's society, in many public institutions, we see the sign "no perfumes/scents allowed" because people with allergies are often very severely affected by scents. We have received letters and phone calls asking that we strive to make our churches scent free. As a Church we care for the good of all so we ask your support and cooperation in our efforts to make the Basilica a scent free environment.
