SECOND SUNDAY IN LENT - MARCH 12TH, 2017

Each year, on this second Sunday of Lent, Jesus invites us to climb the mountain for a glimpse of the future, to allow us to get in touch with the mystery of his divine presence, to find hope amidst despair. As we look at the world around us we can only hope that this glimpse will awaken us from a self-satisfied notion that our western world has all the answers, to a realization that we need to take better care of our fragile world. The last few months have been challenging. We are called to respond with mercy and love to the refugee crisis. In our media-soaked lives, rife with "fake news", it is so difficult to discern the truth of what we hear, see and read. And yet, we know that the sorrow and despair of people in lands within and beyond our borders is ours to bear as well. We need to know that if we are to live as a people of the gospel, a people that hope to taste the joys of transfiguration, we will need to allow our hearts to be transformed and realize that indeed we are our brothers' and sisters' keepers. Since biblical times, mountains have been seen as places to experience the transcendent God – whether they are the mountains in the Holy Lands, or the mountains of our own land. From the desert of last week to the mountain top today, Lent beckons us to return to the Lord through repentance and renewal. May the energy we receive from our mountaintop experiences propel us to continually seek to make our world a better place – a world where all might be transformed – a world where all God's creatures live in harmony – a world where, along with Abraham and Sarah, we can rejoice in God's promise 'that you shall be my people and I will be your God'.

ST. JOSEPH'S TABLE On Monday, March 20th, Feast of St. Joseph, we will have our annual parish Lenten Meal for St. Joseph's Table. The meal will take place in the Parish Room following the 12:10 pm. Grant that our common life and witness may be an example to all about us. Guide our pastor and his assistants in their ministry. Listen to the prayers of John the Baptist, our patron, and keep us secure in your love. Teach us to reach out to other parishes less fortunate. Give us a great love for all the Church, for our Holy Father, for our bishop, and all those who serve. Help us to be a haven of joy and peace within the human family. Bring us all together to life eternal. **Amen**

THE CATECHETICAL OFFICE at the Basilica provides parents with the resources to form their children in faith and prepare them to celebrate the sacraments. This process has two foci, namely, the home and the parish. This year we will provide some materials for families to use at home. We will invite families to get involved in the various liturgical ministries at the Sunday liturgy, namely, present the gifts of bread and wine, prepare the altar, carry cross and candles and proclaim the readings. The catechetical formation at the Basilica will also emphasize the liturgical year, especially the seasons of Advent, Christmas—Epiphany as well as Lent-Easter-Pentecost because they are extremely important for faith formation. This year we will celebrate a rite of welcome for children and families who are preparing to celebrate the sacraments of Confirmation and first Eucharist. Part of this celebration will be to present the child with a copy of the lectionary because the Word of God is very important in the faith formation of every Christian. If you would like to enroll your child in this process of preparation for the sacraments of Confirmation and Eucharist, please email me at Gerard.whitty@nl.rogers.com or call the Basilica office at 754-2170.

COMMUNION TO THE SICK ... The Basilica Parish is in the process of rejuvenating our Ministry of Communion to the Sick. We have an aging population in our Parish. We are receiving more and more calls from Parishioners who can no longer get out to Sunday liturgy and would like to have the Eucharist brought to them. We would sincerely like to be able to fulfil their request. To accomplish this, we need parishioners who are willing to sign up for this Ministry. It is also suggested that family members or relatives may also be able to bring Communion to their sick or elderly loved ones. Of course, the Parish will provide training in this area. If you are able to contribute to this vital Ministry, please call Anne at the Parish Office, 754-2170.

PARISH FINANCE COMMITTEE: I need your help to appoint two new members to the Finance Committee. It is for a 3 year term, but can be extended for another term. If you know of anyone, or if you have knowledge of finances, please let me know. A CA would be helpful on the committee but not necessary. I hope you will be able to give me the names of some people I can approach. **Thank You.** *Father Jerome*

"Secure your vehicle while in Church" Over the past number of years many incidents of vandalism to parked cars have taken place on the Basilica grounds during Church services. As of late there has been an increase in vandalism. Please ensure that when parking your vehicle that there is nothing left visible, that everything is secure.

... SCENT FREE! ... In today's society, in many public institutions, we see the sign "no perfumes/scents allowed" because people with allergies are often very severely affected by scents. We have recently received letters and phone calls asking that we strive to make our churches scent free. As a Church we care for the good of all so we ask your support and cooperation in our efforts to make the Basilica a scent free environment.

Stewardship Prayer *Creator God, at Baptism, we accepted the call to follow Jesus. Be with us as we move along on our faith journey. Send us your Holy Spirit, that we might have wisdom for the journey. Help us to develop and share our gifts as good stewards, that we may use them in love and service in your Kingdom. We ask this through Christ, our Lord. Amen.*
